

STEMFORALL 2024

CO-ORGANIZED BY: ALEX IOSEVICH AND AZITA MAYELI*

*Alex Iosevich was supported in part by the National Science Foundation under grant no. 2154232. Azita Mayeli was supported in part by AMS-Simons Research Enhancement Grant, Simon Fellowship, and the PSC-CUNY research grants. The Organizers wish to thank the Isaac Newton Institute (INI) in Cambridge, Great Britain, for their support and hospitality. This work was partly conducted during the INI program, entitled "Multivariate approximation, discretization, and sampling recovery."
